The food barn project is now in its 10th week, delivering fresh food and bread to currently 20 clients with more on a waiting list. Started in spite of the corona virus outbreak and not to compete with the food bank and the amazing work they do but to bring something extra! We were wondering if there were any businesses, churches, organisations, people that would like to contribute fresh meat and vegetables to the project for our families to make the boxes even bigger and better! If you feel this is something that you would like to do would you please contact us directly via their facebook page or tel: 07852 905742. With much thanks and anticipation. Jonathan and Michele Logan

When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.
