# CHEDDAR VALLEY COMMUNITY CHURCH

## New Wine Leadership Conference

Sam, Phil and I attended the Leadership Conference at Harrogate last week where the main speakers were John and Carol Arnott from Toronto. God certainly blessed and challenged each of us. Of particular encouragement to us was the fact that what is being talked about nationally is how we have felt led by God for CVCC prior to attending and is part of our vision already. Key messages were around the Father's love; the importance of unity and working across denominations; and it's all about the kingdom!

We did feel there is a growing expectation of a great outpouring of the Holy Spirit upon the Church (nationally). As the world gets tougher there are already signs that the people on the streets are wanting to hear that God loves them and has a plan & purpose for their lives! This is being seen in Wales and also through Simon Guillebauld who's coming to us in September.

Do come and chat with us if you'd like to hear more.

Jackie

## Village Church Day Out: 12/13 Sept

We're really excited to be planning this event and want to encourage everyone to come along. There will be camping at Petruth Paddocks but with it being so close, a comfy bed at home is an option for those non-campers.

The weekend will start midday on the Saturday with lots of activities planned for the afternoon for us to enjoy time together as family. In the evening there will be worship and we are delighted to welcome Simon Guillebaud as guest speaker. There will be another chance on Sunday morning to come together to worship.

We are inviting all the churches and christians in the area to join us, we believe this is an important part of the weekend to bring us all together to worship God.

## Mothers' Day

This Mothers' Day we want to bless all the mums and women in our community by providing a cream tea, a chance to play a game of rounders for those active types and craft for both adults and children to enjoy.

We would be grateful for any donations of scones. Please let Jackie know if you are able to provide any so she can plan.

## Prayer for Bella

This Sunday we will be praying for Bella as she runs the Thursday morning Toddler group.

We continually ask God to fill you with the knowledge of his will through all the wisdom and understanding that the Spirit gives, so that you may live a life worthy of the Lord and please him in every way: bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to his glorious might so that you may have great endurance and patience, and giving joyful thanks to the Father, who has qualified you to share in the inheritance of his holy people in the kingdom of light.
