# CHEDDAR VALLEY COMMUNITY CHURCH

## What's coming up in March?

We have lots planned for March and lots to look forward to!

1st March is our family service with worship led by Infinity.

8th March we are kicking off our new teaching series on Sunday mornings titled " Dealing with the busyness of life."

22nd March we have our Mothers' Day special event, more information to follow later.

29th March we are delighted to welcome Neil Laing, a local scientist who is passionate about delving into those difficult questions around science and God and can you really believe in both?

Easter Day we have another special guest: Bart Gee. More about that nearer the time. Just to say, it's something to look forward to!

## Mental Wellbeing: an introduction

Following on from Susanna's talk on mental health, she is holding a training day 21st March in Street.

Tickets cost £10 if bought before 1st March and £5 if unwaged. If you are interested please speak to Jackie or pick up a flyer by the coffee.

## Special offering

Thank you for your generosity. The church has received £2600 currently (including tax refunds we will be able to claim back) to share between Turkey and Bulgaria. This is wonderful and will certainly be a blessing to the churches there. Do remember to pray for John and Julie this week as they head to Turkey.

## Watoto

Watoto are performing at Street Baptist Church 18th February at 7pm, anyone is welcome.

Be free from pride-filled opinions, for they will only harm your cherished unity. Don't allow self-promotion to hide in your hearts, but in authentic humility put others first and view others as more important than yourselves.
